The allure of Solemar offers an enchanting blend of sun and sea, providing a truly distinctive living experience. Positioned with all residences facing south-east, residents can bask in the abundant natural light that graces every corner. Our innovative "total living" concept seamlessly integrates the living room, kitchen, and terrace, optimizing functionality and daily living. Indulge in expansive landscaped gardens and relax in the serenity of our meticulously designed communal swimming pool. Our commitment to exceptional quality is evident in every detail, from premium materials and renowned brands to efficient air conditioning systems. Each residence includes a private parking space wit...
