With a design in keeping with the concept of the resort, warm, welcoming and connected to nature, this villa stands out for having the main bedroom, the living-dining room and the kitchen on a single floor, all connected to the outdoor areas. A very comfortable layout for those who wish to have everything on the same level. On the upper floor there are two more bedrooms, a study area and a terrace, which offers 360 degree views, a privilege for nature lovers. The exterior of this property also deserves special attention, as it is one of the most precious jewels nowadays, especially in this area, where the climatic conditions allow us to enjoy it practically all year round. From its summe...
