Immerse yourself in a unique and historic experience in this stunning 130-year-old stone mill, which has been converted into a charming finca. Situated in the beautiful nature of Los Montes de Málaga, this property offers a mile-wide view of the beautiful Málaga Bay, nature and mountains. With its perfect location, just 10 minutes by car from the centre of Malaga, you can enjoy the peace and quiet of nature while having easy access to the city's amenities and attractions. This elegant house, which extends over one level, has an impressive size of 303 square metres of constructed area and offers plenty of space for the family to thrive. The large living room becomes the heart of the ...
