Beautiful finca in the area of the Sierra de las Nieves at 7 kilometres from the village of Istán surrounded by cork oaks and pine trees, one kilometre from the famous Charco del Canalón of Istán, an incredible place surrounded by nature and tranquillity. The finca of about 2.000 square meters has a house, distributed in two bedrooms, a large kitchen dining room with large windows overlooking the mountains, a living room with a large fireplace, a bathroom and the possibility of making a terrace with panoramic views in the upper part of the house, also has a pool with pre-installation to convert it into a pool, and a tool shed with bathroom to avoid having to use the house in case of worki...
