Imagine waking up every morning in this cozy penthouse, full of light, charm, and warmth. Built in 1989 with care, it's a home made to be felt. As you open the reinforced glass doors to the living room, sunlight pours in gently. Step onto the stunning 44 m² terrace and take in the peaceful city below. Here, you'll enjoy joyful afternoons with friends around the barbecue, peaceful mornings with coffee, and star-filled nights. Inside, comfort reigns. Central air conditioning, a money-saving split unit in the living room, and a wood-burning stove to warm your winters. Although located on a third floor without an elevator, every step is worth the peace and privacy of this closed re...
