Bright and modern apartment, originally with 3 bedrooms, which has been completely renovated to two bedrooms: a spacious master bedroom with ensuite bathroom, a secondary bedroom, and an additional bathroom. Innovative high-end kitchen, open to the living-dining room, with which it communicates through a very practical and functional peninsula. It features high-quality modern finishes, creating a very cozy atmosphere. It includes a small storage room inside the apartment for extra storage and a terrace. Located in the Miraflores neighborhood, a central and coveted area, surrounded by restaurants, pharmacies, supermarkets, and shops. Everything is accessible by walking, without the need fo...
