Why wait for a new build when you can enjoy this unique living experience right away? This exceptional townhouse gives you the feeling of being the first owner, even though you would be the second. Immaculate, modern, open-plan, fully furnished, with a whirlpool on the roof terrace and even already equipped with a device for a lift to be installed at a later date. Built by a renowned British developer, the property is located in the exclusive, gated community of NATURA – a small and very private complex with only 40 residential units. The communal facilities are immaculately maintained and offer spacious garden areas, a large swimming pool and a separate children's pool. Nestled i...
