We present an exceptional property due to its dimensions and prime location. Situated on a fifth-floor corner, this generous 234 m² (built) apartment stands out for its brightness, unobstructed views, and a south-facing orientation that guarantees sunlight all day long. GENERAL DESCRIPTION With an exterior and open-plan layout, this property is a blank canvas ideal for: Subdivision into two dwellings: Its 234 m² allow for a balanced split into two large units, both featuring exterior facades and cross-ventilation thanks to the corner position. Luxury Residence: The possibility to create a unique single-family home in the city center, with wide open spaces and clearly defined day and night ...
