I am excited to announce a new detached country villa on the market. Consisting of 3 bedrooms and 2 bathrooms built in 2002. This villa comes with many beautiful features including wooden beams on the roof, gas fireplace, 39m² rear covered terrace which overlooks the wonderful countryside and private swimming pool. Connected to mains water and a 24 panel solar system with lithium batteries and a back up diesel generator. There is a possibility to have a wind turbine installed or to connect the property to mains electricity. Comes with 3 septic tanks for wastewater. One of which is attached to the house being the new Ecological system, the other a grey water system ready for a campsite. ...
