---	---	--------------------	---------------------	----------------

With an elegant modern style, this villa offers panoramic sea views through high ceilings and large glass windows that seamlessly connect the interior with the landscape. Built with top-quality materials and equipped with modern technology, it represents an outstanding example of contemporary architecture. This property includes four spacious bedrooms with en-suite bathrooms, two additional bathrooms, a bright open-plan living-dining room, and a fully equipped ASKO kitchen. The basement offers a versatile space ideal for a gym or entertainment area, along with a full bathroom and laundry room. The master suite on the upper floor features a private terrace, a large dressing room, and a bath...
