Located in the best area of Santa Rosalía, just 100 metres from the lake, this exceptional property is part of an award-winning residential resort, recognised as the best in Europe in its category. The resort features the largest private artificial lake in Europe and offers a true "resort living concept" with mini-golf, sports areas, trekking routes and more, all just a few minutes' drive from the beach. The south-facing home enjoys open views and is oriented towards the pool and communal areas. It features a contemporary design with large terraces and premium aluminium-framed windows that maximise natural light. Residents benefit from a communal swimming pool, ?social ?...
