A beautifully renovated and exceptionally spacious family home located in the heart of Cancelada village but not part of a community and paying no fees. This charming semi-detached house offers bright and welcoming interiors, beginning with a sunny living room featuring a characterful wood-burning fireplace. The generously sized kitchen is a real highlight, complete with a breakfast bar and seamlessly opening into the dining area—ideal for both everyday family living and entertaining. A guest toilet is also conveniently located on the ground floor. The first floor comprises four well-proportioned double bedrooms. Three are generous doubles, while the fourth is currently used as an offic...
