Always had a dream of your own affordable apartment on the Costa Blanca close to the beach? Then this is your chance! Located on the 1st floor with a terrace at the front and 1 spacious bathroom with walk-in shower. The solarium / roof terrace can also be reached by elevator or stairs and there you will find the communal swimming pool. There is also enough space here to sunbathe or relax with a good book. Everything has been thought of because there is also a communal toilet on the roof terrace that you can use or to change quickly. In this development, you can escape the hectic pace and experience the good and affordable Spanish life. This small-scale complex is built with the right m...
