m²

Eight new state-of-the-art villas, distributed in three large double bedrooms, two modern bathrooms with double sinks, and a guest toilet. Built on plots of approximately 300 m² using the latest high-quality materials. The complex is located close to shops, supermarkets, restaurants, pharmacies, and other amenities, and is set among the well-known international golf courses of Villamartin, Campoamor, Las Ramblas, and Las Colinas. The location is just a short distance from the Orihuela Costa beaches and approximately 35 miles from Murcia and Alicante airports. These villas are built over two floors, offering around 170 m² of living space, designed for comfort and modern living, with the ...
