Stunning sea and mountain views, including the marina and the city of Estepona, as far as the Strait of Gibraltar and Africa. This property operates as self-catering tourist accommodation and has a tourist license to accommodate up to twenty guests, making it a great investment opportunity for those looking to earn an additional income from their new home. It consists of two independent apartments, a double garage, a heated outdoor pool, well-maintained gardens, and several terraces. An orchard area with orange trees, a well bringing fresh water from Sierra Bermeja, a 50,000-liter water tank, garden lights, and more, all on a large plot surrounded by natural surroundings and just a 10-minu...
