Exclusive Mediterranean-style house in Pinares de San Antón, set on a spacious 1,184 m² plot. Its architecture combines the purity of a white façade with natural stone details and a terracotta-tiled roof, creating a harmonious and timeless ensemble. The property, distributed over two floors and with a total built area of 412 m², enjoys southwest orientation, ensuring excellent brightness throughout the day and pleasant, unobstructed views. Completely renovated about five years ago, the property is in impeccable condition and ready to move into. The finishes are of high quality, incorporating solar panels for electricity and hot water, as well as an electric car charging port, features t...
