This project incorporates top-of-the-line materials and installations. The interior feels spacious and bright thanks to the numerous windows. The villa has a constructed area of approximately 800 m² and sits on a 735 m² plot. The villa comprises 290 m² on the two upper floors. In addition, there are two basement levels: the first is currently used as a garage and for various multipurpose spaces, while the second offers the potential to create a sports area with an indoor swimming pool. All four floors are accessible via an elevator. The planned house includes 4 bedrooms and 4 bathrooms. The villa features an outdoor pool with a unique view and spacious terraces surrounding the hou...
