Comfort and technology have been thoughtfully integrated throughout the property. Underfloor heating is installed on the ground floor and in the upstairs bathrooms, while a Daikin air conditioning system with Airzone motorised grilles allows independent climate control across four separate zones. Lighting, heating, air conditioning, and alarm systems can all be controlled directly from your phone, offering seamless modern convenience at every level. A professional Unifi network system ensures fast and reliable WiFi coverage throughout the entire home. Upstairs, the property offers three well-proportioned bedrooms and two stylish bathrooms, designed with high-quality materials and refined co...
