We are delighted to present this very well located, top floor apartment in the delightful Novamar 3 development in Gran Alacant. Set within a gated community, which has access to a beautiful communal swimming pool and gardens, which has views to the sea. The apartment has been updated by the current owner and has a good sized front terrace, with sea views and inside is the living / dining area, galley kitchen and utility room. The apartment also provides two bedrooms and one bathroom as well as a storage area. The apartment is set within a peaceful location in the development but also just a one minute walk to the communal swimming pool. It is being sold furnished and benefits from air-condi...
