This cosy semi-detached house, located in a very quiet urbanisation, is distributed over three floors. On the upper floor there are three bedrooms, two of them larger with a balcony each, two bathrooms, one with bathtub and one with shower, the other smaller room can be used as an office, storage or children's room. On the ground floor, you will enjoy a spacious and bright living-dining room with pre-installed fireplace, exit to the terrace with garden, barbecue and porch to enjoy the best meals outdoors, fully equipped kitchen with access to the garden, a laundry room and a toilet. The basement, diaphanous with a window, has a built-in wardrobe, it is a versatile space to adapt accordi...
