4-story residential building in the heart of Estepona, just 600 meters from the beach. The building has 4 floors, including a top terrace. On the ground floor, there is a large 4-meter-tall garage with an additional mini-apartment-style space and a large, uncovered rear patio. This garage can be converted into a magnificent loft with a separate garage entrance, while the rear patio can be converted into a garage for the building, with a separate entrance from the rear street. It also has an underground water tank (aljibe). On the first floor, there is a good-sized studio apartment. On the second floor, there are two living rooms divided by a beautiful central fireplace, each with a separa...
