Nestled in the UNESCO-protected area of La Mairena, this beautifully maintained penthouse offers an exceptional blend of comfort, style, and tranquility. The property features three bedrooms and two bathrooms, a fully fitted kitchen with utility area, and a spacious layout ideal for family living or as a holiday retreat. A highlight of the home is the large terrace with breathtaking panoramic views and an added conservatory with glass curtains, to create a versatile all-season living space. Additional features include an elevator bringing you directly to your front door, private solar panels with the added benefit of low electricity consumption, a private parking space and inclusion in a gat...
