House with 4 Bedrooms and Patio in the Heart of Mijas Pueblo A great investment opportunity in the very center of Mijas Pueblo, one of the most picturesque enclaves on the Costa del Sol and with an ever-growing demand. This extraordinary property has everything an investor is looking for: strategic location, generous size, endless renovation possibilities, and outstanding profitability potential. The house offers over 200 m² built, currently distributed into spacious rooms such as the living-dining area and kitchen, and is ready for a complete renovation that would allow it to be adapted to different projects. Thanks to local planning regulations, there is also the possibility of increasi...
