This beautifully renovated villa combines modern comfort with Mediterranean charm. The main floor, which measures 110 square meters, offers a spacious living and dining area with an open-plan layout. The newly designed kitchen is custom-made, featuring a stone countertop and integrated appliances. There is also a modern bathroom equipped with an Italian shower and double sink, as well as two comfortable bedrooms. From this level, you can access a covered terrace, perfect for relaxing and enjoying the outdoor lifestyle. The ground floor measures 40 square meters and includes two additional bedrooms and a bathroom. This level is ready to be updated and customized to suit your personal preference...
