Traditional style villa of excellent qualities. Located on a large plot of 1800 m<sup>2</sup> with beautiful views of the valley and the Montgó from all its terraces. Magnificent location surrounded by nature and very private near the old town in the Senioles area. One owner from new. The house has three levels, on the ground floor is the garage and the 10x5 infinity pool and solarium area. There is space for another 200m under build to be developed, for extra accommodation. The main house is a parking lot with a pergola; the entrance is very bright due to a skylight that gives altitude and light to the house given its Southwest orientation with sun all day. There is the living room with fireplace, dining ...
