A Rare Detached House on "The Hill" This 4 bedroom, 2 1/2 bathroom, 191m2 detached house is a rare find. It is not only beautifully refurbished, it offers the much coveted location on the hill - "the first loop". It also has some interesting features like a sea view roof terrace, wrap around outside space, and off street parking. The outside space, where we spend most of our lives, is so well put together with a plunge pool (note its 3 minutes walk to the beach!) and a covered parilla area for barbecuing. There are also raised plant beds to grow your own herbs for cooking. Internally the property is bright, uncluttered and tastefully refurbished. The ground floor bedr...
