We are proud to present an exclusive development of twelve homes, of which 10 are currently available, where contemporary architecture, comfort, and location come together to offer an unparalleled residential experience in the heart of Pedregalejo, Málaga, one of the city's most prestigious and sought-after areas. Málaga, a city in full growth and recognized nationally and internationally, provides a privileged environment where quality of life and investment go hand in hand. In this case, we are offering House No. 7, which features the lowest price in the entire development, without compromising quality or amenities. On the contrary, it represents an excellent opportunity to acquire...
