This exceptional newly constructed villa is a striking example of modern luxury and architectural elegance, ideally located within the prestigious enclave of La Reserva in Sotogrande. Designed by the renowned Lago Architects, the property embodies their distinctive minimalist approach, where clean lines, refined materials, and the surrounding landscape come together to create a truly harmonious living environment. Set on an elevated, south-facing plot, the villa enjoys breathtaking, uninterrupted views across the Mediterranean Sea, gently rolling hills, and lush green surroundings. The architectural concept prioritises light, space, and natural textures, resulting in open-plan interiors tha...
