A brand-new contemporary villa within Finca de Jasmine, a gated villa community in the hills of lower Benahavís. Set within the triangle formed by Marbella, Estepona and the mountain village of Benahavís, the villa enjoys a rare sense of seclusion alongside panoramic views that stretch across the surrounding mountains and out towards the coast. With 219 m² built across three levels, sitting on a plot of 898 m² and complemented by an exceptional 120 m² of terracing, this is contemporary living designed entirely around light, space and the natural landscape it sits within. You enter into a generous open-plan living space that brings together a fully fitted kitchen, salon and dining area,...
