New development of 13 villas designed with the highest qualities standards. This is something more than a project, much more than a word, is a whole philosophy of life. This project is balance, it is sustainability and it is respect for our planet's limited resources, that's is the reason why it has the BREEM® certification for building sustainability, the highest accolade in the world. Enjoy its more than 5.000m² of landscaped spaces formed by Mediterranean gardens with pergolas and vegetable gardens, pools and terraces. A natural oasis surrounded by woodland, fruit trees and flowers. This complex towers over the landscape from its elevated position, offering the very best views of th...
