HOUSE, GARAGE, AND STORAGE ROOM!! In the vibrant heart of Fuengirola, just 200 meters from San Francisco Beach and less than 50 meters from the Rey de España Promenade and the Marina, a property awaits you that is much more than just an apartment: it is a blank canvas on which to create the Mediterranean home you have always wanted. We present this gem in the iconic Sol Playa building, an invitation to experience urban and coastal living at its finest. A Space Baptized by the Sun With 114 square meters ready to be transformed, this home is distinguished by its extraordinary orientation, which ensures that natural light floods every corner throughout the day. Currently, the property reflect...
