Newly built sustainable homes next to the sea. A few meters from La Almadraba beach, in El Verger, and a few kilometers from Denia, a project is born that challenges convention. One whose intention is none other than to make the impossible a reality: a residential complex that aspires to become a sustainable, healthy and respectful community. Always seeking maximum respect for nature, the project is conceived with brilliant sustainable strategies: rainwater collection, channeling and reuse systems that will give life to an exuberant sustainable ecosystem; refreshing gardens of native species whose maintenance will hardly be necessary; large areas of photovoltaic panels for self-consumption ene...
