This villa is a large and ideal home for a family. On the ground floor there are two bedrooms, a spacious living room with a fireplace, a bathroom with shower, and a kitchen. This floor has its own independent entrance and can be used as a separate apartment. There is also a large garage on this level. The upper floor, connected to the lower one by an internal staircase, also has its own entrance. It features an entrance hall, a kitchen, a large living room with fireplace, three bedrooms (one currently used as a walk-in dressing room), and two bathrooms. The master bedroom is spacious and includes an en-suite bathroom. From both the master bedroom and the living room, there is access to a l...
