Villa with private garden and pool for sale in Calahonda, Mijas Costa! This unique villa is facing south east and is in excellent condition, built in the year 2000 with high quality materials. Some highlights are double glazed windows, a security system, a large glazed terrace with seaviews, central heating, a roof top terrace, a private parking space, a basement, a private pool and a large garden. Close to Marbella and Malaga Airport and city. Currently the villa offers on the ground floor level a large open kitchen with access to the living and dining room, a storage and a full bathroom. Access to the large terrace from the living room with good views down the green valley and to the sea. ...
