In the heart of Málaga's historic center, this absolutely exceptional property is located. The building, constructed in 1900, was rehabilitated by a renowned Spanish architect, respecting its original essence while incorporating high-quality finishes and a contemporary architectural concept. It is a unique Penthouse. Thanks to the high ceilings and its location on the top floor, the wooden beams were left exposed, creating a sense of spaciousness and a singular character. The residence arises from the union of two apartments, featuring large floor-to-ceiling windows and a glazed interior patio that provides natural light. Access to the Penthouse floor is comfortably made via an elevato...
