MUST SEE!! Two connected penthouses in Río Real with truly exceptional panoramic sea views. Some properties stand out for their view, others for their location, and a few for their potential. This one brings all three together. Two adjacent penthouses in Río Real combined into a rare investment opportunity, offering scale, privacy, and views that are genuinely hard to match. The property offers 240 sqm built, including 40 sqm of terraces, with a constant sense of openness towards the Mediterranean. The outlook is simply outstanding: Africa, Gibraltar, the entire Marbella coastline, and La Concha all in one uninterrupted panorama. It's the kind of view that immediately elevates the ...
