We are pleased to present this stunning luxury villa with panoramic views due to it's elevated position at the 5 star La Finca Golf course. This impressive modern home is a perfect example of a resale of a new build without the wait and packed with luxury extras. The home offers a vast living/dining space, typically not seen in such homes, and offers the perfect area for leisure and entertainment, there is still ample space for a formal dining area or you can sit at the large island leading to the high end kitchen, which features floor to ceiling integrated cabinetry, ample work top space and top of the range white goods, plus leading out to a utility area and to the side patio terrace.
