Exclusive penthouse on two levels with private pool and sea views In a place where light always feels close and where the presence of the sea is in every breeze, this magnificent penthouse rises on two levels – a home where elegance and quality of life meet in a rare harmonious whole. Here you live at the top, with views that stretch to the horizon and with a sense of freedom that only a private rooftop terrace with its own pool can offer. From the moment you step into the home, you are greeted by a stylish and thoughtful environment where architecture and comfort go hand in hand. Three spacious bedrooms create plenty of space for both family and guests, and the four elegant bathrooms –...
