Located in the heart of Los Pacos, this impressive villa offers the perfect combination of modern comfort and Mediterranean charm. With a constructed area of 363 m² on a 401 m² plot, it features three bedrooms (originally four), three full bathrooms – one en suite – and spaces designed for enjoying time with family and friends. The spacious main living room is bright and ideal for family gatherings; it also has another versatile room that adapts to your daily needs. A highlight is its enclosed 70 m² terrace equipped with a barbecue area, excellent for social events. It also includes several terraces and a private balcony offering enchanting views where you can relax under the ...
