This exceptional ground-floor apartment offers a rare combination of comfort, privacy, outdoor living, and long-term livability within one of the Costa del Sol's most prestigious residential communities. Designed for owners who truly want to enjoy extended stays under the Spanish sun, this apartment combines practical luxury with seamless indoor-outdoor living throughout the entire year. The property features two spacious bedrooms and two elegant bathrooms, including a large walk-in double shower in the master bathroom, creating a true spa-like atmosphere. The interior flows beautifully onto an impressive southeast-facing terrace fitted with high-quality glass curtains, allowing the te...
