### TWO TERRACES WITH PANORAMIC SEA VIEWS — CASA BANDERAS, LA CALA DE MIJAS

South and southeast facing, with the Mediterranean stretching out ahead and the hills rising in the distance. Two generous terraces totalling 60 m<sup>2</sup> open onto a panorama that runs from the sea to the coastal hillsides — and the sun stays with you from morning to late afternoon.

Set within one of Casa Banderas' most sought-after blocks, this home offers a view few in the area can rival. An open-plan kitchen and living room create a bright, sociable heart of the home, where large sliding doors invite the sunlight in and seamlessly out to the terraces. One terrace is shaded by a pergola.
