At the top of one of the most exclusive residential communities on the Costa del Sol, this penthouse offers, quite simply, a different way of living. With 115 m² of built space and 78 m² of private terraces, the property opens up to the horizon in every direction: the Mediterranean from the living room, and a breathtaking 360° panorama of sea and mountains from the exclusive rooftop. Two bedrooms, two full bathrooms and a bright, open-plan kitchen and living area designed for life without limits. Every corner has been crafted so that light and views take centre stage. Currently undergoing a full renovation with premium materials. Handover expected October 2026 — so everything is perfect...
