RENOVATION PROJECT WITH HUGE POTENTIAL! A fantastic opportunity to create something truly spectacular. This wonderful villa sits on a generous, nearly double-sized plot and offers excellent potential for further development. The main house has already been renovated to a high standard, while the possibility of adding approximately 70 m² gives the new owner the chance to take this property to the next level. With the right vision, this villa could become an exceptional home in a highly desirable setting. This wonderful villa sits on a generous 866m² plot in the highly desirable and a peaceful area of lower Calahonda, one of the most convenient parts of Calahonda thanks to its tranquillity...
