Located in Guadalmina Baja, San Pedro de Alcántara, this spacious duplex penthouse offers 290 m² of built space, including 210 m² of interior accommodation and 80 m² of terraces. With five bedrooms, all with en-suite bathrooms, three private parking spaces and generous communal facilities, the property offers an excellent opportunity to create a substantial residence in an established area close to the beach and golf courses. The property is distributed over two levels and currently requires renovation, providing a strong basis for a complete refurbishment and the creation of a contemporary home tailored to the new owner's requirements. The existing layout includes five en-suite b...
