This villa combines contemporary design with indoor and outdoor spaces, offering six bedrooms and six bathrooms in total. Four of the bedrooms are located in the main residence, with the principal suite which has its own balcony and private en-suite bathroom. A separate guest building provides two additional bedrooms as an independent living space. It includes a kitchen, lounge and bathrooms, while opening directly onto the swimming pool and barbecue area. Inside the main villa, the bright open-plan layout creates a spacious environment, with large areas designed to make the most of the natural light. Outside, the property features a beautifully maintained garden, a private swimming pool a...
