m² m² m²

Nature, peace, beauty, a mild breeze and impressive sea views. These words describe the environment of a unique and exceptional new development. Located in the immediate vicinity of “Duna La Adelfa”, some protected beaches due to their high environmental value, and just a few minutes steps away from several golf courses. Apartments with one, two, three and four bedrooms with spacious living rooms and sunny south-east and south-west facing terraces. An avant-garde project with superb specifications and finishes, and landscaped areas with communal pools. Set in natural areas for a perfect combination of beach and mountain, they have wooded areas and pedestrian paths for enjoying the beauti...
