This amazing penthouse at Mijas Costa makes you feel as if you are cruising the Mediterranean. It has been tastefully decorated and has never been lived in. It has all the luxury you could ever wish for and amazing views on top of it. The kitchen is open plan and the whole apartment enjoys sea views from most rooms. The terrace is spacious and has its own private small swimming pool, and has another large terrace round the back that looks out to the mountains, city and even horses. There's an additional big communal swimming pool as well as a childrens' pool. There is a lovely gym to be used by owners only. The apartment can be reached from the basement through its own private lift. Ther...
