Unique property located in one of the most exclusive Boutique complexes in Marbella East, Marbella Sunset, right above the UNESCO protected Artola sand dunes and just a few steps from the golf course. Closed residential complex consisting of only 14 homes of which this one has a privileged position as it is located on the best corner offering unparalleled privacy and enviable views. It has been customized from the beginning of construction with strict supervision of improvement works. It has a very practical distribution emphasizing comfort, residents' privacy, and the use of Mediterranean light. The connection of interior spaces with its spacious terraces is also possible thanks to the...
