Valtocado one of the most renowned and prestigious urbanizations on the Costa del Sol nestled in the Sierra of Mijas. Here you will find some of the finest Villas with spectacular panoramic views. This Villa was completed in 2012 and in excellent condition as new . The orientation of the house is to the south west and the roof is at a shallow angle which allows the house to be cool in the summer and warm in the winter reducing the amount of additional energy required to heat or cool it. The overall house design is U shaped which shelters the front terraces from most winds. This allows for comfortable living throughout the year and helps the house achieve its BB energy rating.
