In the heart of Santa Pola 's port, this unique seventh-floor penthouse is a truly exceptional property in terms of location, privacy, and potential . Situated on the port's waterfront , it offers panoramic views of the sea and the nautical activity , a privilege reserved for very few homes in the area.

The property currently has 3 bedrooms , 2 bathrooms , a separate kitchen , and a large living room , resulting in exceptionally spacious rooms that are hard to find on the current market. The actual built area is around 200 m² , although according to the land registry extract, the property is registered as 100 m² , a relevant detail that the buyer should take into account.
